

PRESCRIPTIONS STARTING AT JUST \$5 WITH

Harvard Pilgrim's 4-Tier Drug Program!

You'll pay a low, \$5 copayment (for up to a 30-day supply) on many generic prescriptions to treat a variety of diseases and conditions.¹ All generic drugs contain the same active ingredients as their brand-name counterparts.

If you take any of our Tier 1 drugs regularly, you may even save a full month's copayment through the mail service prescription drug program when you order a 90-day supply.²
