

ITAMP Postdoc Fest - April 19, 2023

Pratt Conference Room, Center for Astrophysics - 60 Garden St.

Ceren Dag, 12:30 - 1:10 PM

“Quantum scars and ergodicity breaking mechanisms in chaotic spinor condensates”

Simeon Mistakidis, 1:10 - 1:50 PM

“Classifying the universal dynamics of a two-dimensional ferromagnetic spinor gas”

BREAK 1:50 - 2:20 PM

Francisco Leal Machado, 2:20 - 3:00 PM

“A Dipolar Chiral Spin Liquid on the stretched Kagome lattice”

Vasilis Rokaj, 3:00 - 3:40 PM

“Polaritonic Chemistry with Ultracold Molecules”
